"Legacy: Faithful God"

Malachi: What kind of legacy are we living?
This week: God's is faithful, even when we are faithless.

Malachi 2:10-16 God corrects the priests' perspectives in their marriages.

1. Why does marriage matter to God?
2. What about marriage to non-Christians & divorce?
3. Guard your relationships & marriages.

→ God is faithful, even when we are faithless.

SINKING IN: Questions to process with your family, friends, & self-reflection.

1. What two things was God addressing to the priests? Why?
2. How do our relationships reflect on God? How do they impact us?
3. How does divorce impact our families? Society? Our legacy?
4. How can we guard our marriages even if we are single now?
5. Why does God's faithfulness matter so much in this conversation?
